Euro MP answers questions at European Union of Women's event

Local MEP Philip Bradbourn was the guest speaker at a question and answer session being held by the European Union of Women in Kidderminster today. Mr. Bradbourn fielded numerous questions about the Lisbon Treaty, European Union transport policy, and the future of regional development funding for projects around Worcestershire.

Mr Bradbourn said:

“The opportunity to talk at events such as the one hosted by the European Union of Women today is invaluable as it allows me to see first-hand what my constituents feel are the pressing issues in Europe and at home.

Organizations such as this produce a good sounding board for local constituents to make known their views on Europe, and I look forward to further opportunities for involvement with organizations in the Kidderminster area.”
