Local MEP to attend high-profile meeting at Staffordshire County Council

Local Euro MP for Staffordshire, Philip Bradbourn, will be attending an important meeting with County Councillors in Staffordshire on Friday of this week to discuss the issues of regional funding and transport with key cabinet portfolio holders and senior members of the Council.

Mr. Bradbourn, said:

"It is always important for MEPs and Councillors to work together and since the change in control of the Council I am pleased to be able to take part in discussions on how we can all serve our constituents better.

I particularly congratulate the new Leader of the Council, Councillor Philip Atkins on taking the initiative to invite me to this regular meeting of the Cabinet and look forward to discussing how I as the local MEP can work with the Council for the benefit of the county especially in the area of Transport and regional policy - both very important areas for local residents and businesses alike."
